

C1, D30 and DMR660 Lift Chairs

Pride Lift Chairs are designed to be the ultimate in lift chair comfort, style and performance. The state-of-the-art lift system utilised in Pride Lift Chairs will recline you further back than any other lift chair. Additionally, Pride Lift Chairs are equipped with an emergency battery back-up system should the power fail in your home.

C1 Lift Chair - 3-position, petite to small chaise lounger

D30 Lift Chair -3-position, medium to large chaise lounger

DMR660 Lift Chair – infinite-position, small to medium chaise lounger with dual motors that enable independent recline/footrest function
